- **Payment** of preordered plants: if the order is to be sent by mail, 100% in advance by US Bank check or transfer or cash when picked up at the show.
- For preorders to be shipped, it will apply handling and extra shipping costs, more details, please ask me. We will arrange the most cost effective **shipping** within the United States, 2nd Day Express Mail by USPS, unless you specify the method which you would like us to ship. Please just communicate with me and I am happy to work things out to your liking.
- The **plants** are frontal divisions or seedlings. Before confirm your order, please have in mind that the plants must be cleaned deeply before pack them and be exported in order to be free of quarantine pests and ensure their entrance to the destiny country, sometimes the plants are delivered with few alive roots, please feed them with high phosphorus, vitamins and hormones and keep it sprayed against fungus and bacterias to improve rooting.
- If you want to see detailed **photo** (s) of the flower and/or plant you are interested in, please let me know, I will gladly send you the .jpg files by e-mail to help you to choose the right one.
- The **quantities** of the species are limited, sometimes one available division, please be patient and if your chosen plant is not available, I could bring it another year.
If you want a **bigger division** that the stated in the lists, please let me know, if it is possible, I gladly will quote it and bring it for you if available.
- **Guarantee of the plants:** 1. Identity: The species or clones you bought are guaranteed that they will bloom like the photo in the catalog, if any involuntary mistake, please send us a message with the photo of the flower and the plant to replace it in your next order. 2. Plant condition: If too much stress during the trip and the plant doesn't recover within a month from the delivery. To ask for the replacement, please take two photos: one when delivered and the other up a month ahead, then you could submit the claim to us. The plant will be replaced in your next order or reimbursed if you prefer this option.
- The quantities of the species are limited, sometimes one available division, please be patient and if your chosen plant is not available, I could bring it another year. If you want a bigger division that the stated in the lists, please let me know, if it is possible, I gladly will quote it and bring it for you when possible.
